Summary

Hii, this is Atharv Dange. I'm currently pursuing a degree in Electronics and Telecommunication Engineering at Sinhgad College of Engineering. I am deeply passionate about the intersection of technology and engineering, and am eager to learn and develop my skills in the technology and IT industry.

I understand the importance of staying up-to-date with the latest advancements and am committed to continuously expanding my knowledge and understanding in the field.

In addition to my passion for technology and engineering, I have a strong interest in Astronomy, which I consider as a hobby. This interest not only adds to my knowledge and skills, but it also serves as a source of inspiration and creativity.
